

2022 Giving Circle Palm Beach & Broward Counties Grant Application

The Women's Foundation of Florida awards micro-grants to support local projects in Palm Beach and Broward Counties that empower women/girls and create social change. Micro-grants in the amount of \$2,500 will be invested in projects focused on *advocacy, leadership development, social justice, racial equity, economic justice, LGBTQ rights* and more. While direct service is incredibly valuable and needed, this grant program focuses on addressing the root causes of obstacles impacting women and girls.

Competitive grant applications will focus on projects empowering women and girls to challenge the status quo, build their leadership skills, and lead positive change in Palm Beach County. **Join our community call on Monday, March 28 at 10am to learn more and have questions answered. [RSVP here](#) to receive the call information.**

These grants are given by a circle of individuals committed to investing in programs with local social change impact.
